Ground floor rental warehouse + private garage

Upper floor house + terraces

House over warehouse

Floor plans on the real plot: 10.80 m wide at the street, 10.00 m at the rear wall, 17.00 m deep. Garden at the top, street at the bottom.

Revision 05: replaces the 9.00 m width shown before

Plot

Street side (measured)	10.80 m
Rear building line (measured)	10.00 m
Depth to rear wall	17.00 m
Building footprint, gross	176.8 m²

Ground floor

Rental warehouse (L-shaped, with rear storage)	≈ 100 m²
Private garage	5.55–5.90 × 6.80 m
U-stair, reached only from the garage	5.45–5.55 × 2.60 m
WC (rental)	2.00 × 2.00 m

Upper floor

House block	109.7 m²
Enclosed stair lobby above garage	26.5 m²
Open terraces (front + side)	40.6 m²
Two bedrooms	≈ 14.4 m² each
Total upper floor, gross	176.8 m²

Scale

0 — 5 m

Concept visual based on Revision 05 (31 Oct 2026). Plot widths are tape measurements; the right boundary is drawn angled and the left one straight. Room splits are a proposal. Furniture and finishes are illustrative. Not for construction.
