Ground floor rental warehouse + private garage

Street

Upper floor house + terraces

Street

House over warehouse

Floor plans, 9.00 × 17.00 m footprint. Garden at the top, street at the bottom.

Ground floor

Rental warehouse (L-shaped, with rear storage)	≈ 87 m²
Private garage	4.55 × 6.80 m
U-stair, reached only from the garage	4.55 × 2.60 m
WC (rental)	2.00 × 2.00 m

Upper floor

House block	95.0 m²
Enclosed stair lobby above garage	21.5 m²
Open terraces (front + side)	36.5 m²
Two bedrooms	≈ 11.7 m² each
Total upper floor, gross	153.0 m²

Design notes

Windows on the street and garden sides only; both side walls are blind party walls.

Kitchen, bath and hall get daylight from roof skylights.

Home route: garage, stair, lobby, living room. No access through the rental area.

The rear garden stair is provisional until levels and boundary clearances are checked.

Scale

0 — 5 m

Concept visual based on Revision 04 (08 Oct 2026). Rectangular footprint shown; the angled right boundary of the plot is not yet applied. Furniture and finishes are illustrative. Not for construction.
